

## BOH PRODUCT LINE

### Customized Mission Systems

<u>Description</u>	<u>Part Number</u>	<u>NSN</u>
Expandable Wall Command Center	EWCC208	8145-01-502-3927
Containerized Command Center	CCC208	8145-01-502-3930
Modular Workshop Container	15002028	8145-01-524-4030
Containerized Decontamination System	DECON-12	8145-01-502-3936
FPU Transport System (Trailer)	15002022	N/A - GSA Only
Containerized Shower Unit	99000457	N/A - GSA Only
Containerized Latrine Unit	99000455	N/A - GSA Only

### Container Systems

<u>FPU® Series Systems</u>	<u>Paint Color</u>	<u>Part Number</u>	<u>NSN</u>
FPU-20-1	Olive Drab	15002001G	8145-01-473-1207
FPU-20-1	Desert Tan	15002001T	8145-01-518-8750
FPU-20-2	Olive Drab	15002002G	8145-01-473-1208
FPU-20-2	Desert Tan	15002002T	8145-01-518-8751
FPU-20-3 (Bail Bar)	Olive Drab	15002003T	N/A - GSA Only
FPU-20-3 (Bail Bar)	Desert Tan	15002003T	N/A - GSA Only
FPU-8-2	Olive Drab	15000802G	8145-01-473-1213
FPU-8-2	Desert Tan	15000802T	8145-01-518-8749
FPU-8-4 / Boh Cargo12-3 (Bail Bar) Olive Drab		15001408G	N/A - GSA Only
FPU-8-4 / Boh Cargo12-3 (Bail Bar) Desert Tan		15001408T	N/A - GSA Only

**Note:** The FPU-8-4 / Boh Cargo12-3 and FPU-20-3 systems need to be assembled with 2 of the following: Bulk Storage Aid, Parts Storage Aid, and or Tie-Down Rings, which are sold separately. To store/transport up to four modules, two Removable Cradles are needed. The FPU-8-4 / Boh Cargo12-3 comes with a set of ISO Interconnector Locks.

<u>Boh Cargo Systems</u>	<u>Paint Color</u>	<u>Part Number</u>	<u>NSN</u>
Boh Cargo-6	Olive Drab	15000501G	8145-01-481-0611
Boh Cargo-6	Desert Tan	15000501T	8145-01-518-8866
Boh Cargo-12	Olive Drab	15001201G	8145-01-502-0581
Boh Cargo-12	Desert Tan	15001201T	8145-01-518-8859

**Note:** The Boh Cargo-12 systems need to be assembled with 2 of the following: Bulk Storage Aid, Parts Storage Aid, and or Tie-Down Rings, which are sold separately.

**Specialized Shipping/Storage Rack Systems for the Boh Cargo-12**

<u>Storage System</u>	<u>Part Number</u>	<u>NSN</u>
Bulk Storage Aid	15310022-1POS	8145-01-524-0244
Parts Storage Aid	15310023-1POS	8145-01-524-0249

**Note:** The above storage aids will fill one half of a Boh Cargo-12, indicated by the NSN and 1POS in the part number. The second half of the Boh Cargo-12 is to be filled with Tie-Down Rings, which are ordered separately. The color of the storage aids are determined by the color of the container system which they are to configure with.

Tie Down Rings	16509501	8145-01-513-6262
----------------	----------	------------------

**Note:** Eight Tie-Down Rings must be ordered to configure half of a Boh Cargo-12 and sixteen to configure the entire Boh Cargo-12 with Tie-Down Rings.

Bulk Storage Aid	15310022-2POS	8145-01-524-0230
Parts Storage Aid	15310023-2POS	8145-01-524-0246

**Note:** When two of the above storage aids are ordered, one will be installed on each side of the Boh Cargo-12, indicated by the NSN and 2POS in the part number. The color of the storage aids are determined by the color of the container system which they are to configure with.

<u>Storage System</u>	<u>Part Number</u>	<u>NSN</u>
½ Bulk Storage Aid (Front Section)	15310034	N/A - GSA Only
Removable Cradle (Front Section)	15530122	N/A - GSA Only

**Note:** When one of the above Bulk Storage Aids (Front Section) or Removable Cradles are ordered, it will be installed half or one side of the FPU-8-4 / front section of the FPU-20-3. Two are needed to fill the whole front section. The Removable Cradle is used to hold any two FPU Modules.

**Standard Storage & Shipping Modules, Classes 1-6 (See FPU Product Catalog for drawings and descriptions)**

<u>Class 1 (Large Parts)</u>	<u>Part Number</u>	<u>NSN</u>
Module #8	15700008	8145-01-523-4000
Module # 9	15700009	8145-01-523-4003
Module #26	15700026	8145-01-501-0900

<u>Class 2 (Large Parts)</u>	<u>Part Number</u>	<u>NSN</u>
Module #5	15700005	8145-01-501-4005
Module #7	15700007	8145-01-501-0865
Module #23	15700023	8145-01-523-4011
Module #24	15700024	8145-01-501-0892

Module #25	15700025	8145-01-501-0896
------------	----------	------------------

<u>Class 3 (Medium Parts)</u>	<u>Part Number</u>	<u>NSN</u>
Module #3	15700003	8145-01-523-4014
Module #14	15700014	8145-01-501-0869
Module #16	15700016	8145-01-523-4028
Module #19	15700019	8145-01-523-4022

<u>Class 4 (Medium Parts)</u>	<u>Part Number</u>	<u>NSN</u>
Module #18	15700018	8145-01-523-4025

<u>Class 5 (Medium/Small Parts)</u>	<u>Part Number</u>	<u>NSN</u>
Module #11	15700011	8145-01-522-0667
Module #13	15700013	8145-01-501-0866
Module #20	15700020	8145-01-523-4039
Module #22	15700022	8145-01-523-4040

<u>Class 6 (Small Parts)</u>	<u>Part Number</u>	<u>NSN</u>
Module #17	15700017	8145-01-502-2491
Module #21	15700021	8145-01-502-2494

**Note:** Any four modules can configure in one FPU-8-2 and FPU-20-3 container systems.  
Any ten modules can configure in a FPU-20-1 and FPU-20-2 container systems.

## Specialized Modules

<u>Description</u>	<u>Part Number</u>	<u>NSN</u>
Flammable/Corrosives	15500101	8145-01-473-1288
Short/Helo Module	15700201	8145-01-502-0591
Office Module	15500201	8145-01-478-3374
Weapons Hull	15500003	8145-01-502-2593

**Note:** Weapons Hull needs to be assembled with a combination of five of the drawers below and can be inserted into any FPU-8 series and FPU-20 container systems.

<u>Description</u>	<u>Part Number</u>	<u>NSN</u>
M16A2 Rifle Drawer	15500103	8145-01-502-2605
9MM Pistol Drawer	15500102	8145-01-502-2611
8" Weapon Drawer	15520860	8145-01-528-2853
M4 / M16A2 Rifle Drawer	1550014	N/A - GSA Only

**Note:** Weapons Hull needs to be assembled with a combination of five of the drawers above and can be inserted into any FPU-8 series and FPU-20 container systems.

## Glide-Out and Shelf Systems for Modular Bulk Storage

<u>Glide-Out System</u>	<u>Part Number</u>	<u>NSN</u>
Base, Glide-Out	GOSEC10/15/BASE	8145-01-501-0916

**Note:** A Base Glide-Out System is used for storage of bulk material. It needs to be assembled with at least two of the extendable shelves below. Two Base Glide-Out Systems can configure in one FPU-8 series and FPU-20-3 container systems. Four Glide-outs can configure with two modules in an FPU-20 series container system.

<u>Glide-Out Shelf Systems</u>	<u>Part Number</u>	<u>NSN</u>
Shelf, Standard 1000lb	GO/10/15/1000S	8145-01-501-0904
Shelf, Standard 2000lb	GO/10/15/2000S	8145-01-501-0909
Shelf, Standard 4500lb	GO/10/15/STD/2T	8145-01-501-0908
Shelf, Full Ext. 4500lb	GO/10/15/100/2T	8145-01-523-4593
Shelf, Battery 2250lb	GO/10/15/BAT/1T	8145-01-501-0913

**Note:** A Base Glide-Out System is used for storage of bulk material. It needs to be assembled with at least two of the extendable shelves above. Two Base Glide-Out Systems can configure in one FPU-8 series and FPU-20-3 container systems. Four Glide-outs can configure with two modules in an FPU-20 series container system..

## Stackable Modules

<u>Description</u>	<u>Part Number</u>	<u>NSN</u>
Arrangement #1	RSM001B	8145-01-550-1679
Arrangement #2	RSM002B	8145-01-550-1681
Arrangement #3	RSM003B	8145-01-550-1685
Arrangement #4	RSM004B	8145-01-550-1791
Arrangement #5	RSM005B	8145-01-550-1698
Arrangement #6	RSM006B	8145-01-550-1703
Arrangement #7	RSM007B	8145-01-550-1719
Arrangement #8	RSM008B	8145-01-550-1726
Arrangement #9	RSM009B	8145-01-550-1712

**Note:** Additional Stackable Module Drawer Divider Sets can be inserted.

<u>Description</u>	<u>Part Number</u>	<u>NSN</u>
4" Divider Set (36 Each)	RSU/04/36/DU	8145-01-550-1672
6" Divider Set (36 Each)	RSU/06/36/DU	8145-01-550-1675

**FPU Accessories**

<u>Description</u>	<u>Part Number</u>	<u>NSN</u>
ISO Locks (Set of 4)	15150108	8145-01-523-4120
Bridge Lock	15150115	8145-01-523-4136

**Note:** ISO Locks are used to join one FPU-8 series container together with a Boh-Cargo-12 series container to form a 20 foot ISO-configured system, which meet ABS requirements. Bridge Locks are used for fitting two FPU-8-2's and one Boh Cargo-6 together – This is not an ISO configuration.

<u>Description</u>	<u>Part Number</u>	<u>NSN</u>
ECU Option	15300001	8145-01-523-4115
MWC Refrigerator Option	15525101	8145-01-534-1856
MWC Security Vault Option	15525102	8145-01-534-1857
BOH Cargo-6 Shelf	15300026	8145-01-523-4113
Single Floor Plate	15530101	8145-01-473-3026
Double Floor Plate	15530102	8145-01-473-3032

**Note:** Floor Plates cover the floor of the FPU-8-2 and FPU-20 series container systems so they can be used for bulk storage.

<u>Description</u>	<u>Part Number</u>	<u>NSN</u>
Adapter Plate-Boh Cargo-12	15530112	8145-01-523-4112
Module Caster Set	15510000	8145-01-473-3024
Module Caster Kit	15300004	8145-01-523-4122
Module Slip Cover	15522004	8145-01-523-4076
Module Transfer Plate	15530118	8145-01-523-4073
Module Security Locking Bar	15500021	8145-01-502-2630

**Additional Standard Module Drawer Divider Sets**

<u>Description</u>	<u>Part Number</u>	<u>NSN</u>
4" Drawer Dividers	15524001	8145-01-523-4068

**Note:** Includes 1 each longitudinal & 50 each cross sections - Makes 100 each 6" X 2" compartments when added to standard dividers

4" Drawer Dividers	15524002	8145-01-523-4592
--------------------	----------	------------------

**Note:** Includes 30 each 6" cross & 10 each 12" cross sections - Makes 60 each 6"X2" & 20 12" X 2" compartments when added to standard dividers

6" Drawer Dividers	15524003	8145-01-523-4591
--------------------	----------	------------------

**Note:** Includes 3 each 12" cross sections & 12 each 6" cross sections

6" Drawer Dividers            15524004            8145-01-523-4149

**Note:** Includes 1 each longitudinal & 30 each 6" cross sections

8" Drawer Dividers            15524005            8145-01-523-4145

**Note:** Includes 12 each 10" cross sections

10" Drawer Dividers           15524006            8145-01-523-4142

**Note:** Includes 12 each 10" cross sections

12" Drawer Dividers           15524007            8145-01-523-4140

**Note:** Includes 6 each 15" cross sections

16" Drawer Dividers           15524008            8145-01-523-4138

**Note:** Includes 6 each 15" cross sections
